New Year Greetings to you all,

I am glad to inform you that a virtual meet of the Executive Council of Tamil Nadu History Congress was held at 4.00 pm on 11.01.2021. The members deliberated on non-convening of the 27th conference of the Tamil Nadu History Congress at Holy Cross College, Nagercoil, due to the intervention of the Covid 19. Member of the Executive Council has suggested the virtual meeting of the deferred conference and virtual presentation of the papers in view of the pandemic. But a majority of the Executive Council members have preferred the physical convening of the conference to the virtual mode for the following reasons viz., physical reading of the conference papers by scholars is more ideal than the virtual presentation; observation and scrutiny of the papers is more important at the conference and scholars interaction with teachers of experience will be more fruit full. In view of the majority opinion it has been decided at the Executive Council that the 27th and 28th the Tamil Nadu History Congress may be convened at the same venue i.e., Holy Cross College, Nagercoil in September 2021 and the permission for the same venue may be sought in this connection.
